REV. STAT. §§16-238, 16-240 AND 16-246; TO ADD A SECTION TO THE OFFICIAL CITY CODE ENTITLED "PREVENTION OF COVID-19"; TO PROVIDE LEGISLATIVE FINDINGS AND INTENT; TO REQUIRE INDIVIDUALS TO WEAR FACIAL COVERINGS AND EXCEPTIONS THEREOF; TO PROVIDE FOR THE ENFORCEMENT OF VIOLATIONS AND PENALTIES; TO ESTABLISH A SUNSET PROVISION; AND TO PROVIDE THE EFFECTIVE DATE HEREOF.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF HASTINGS, NEBRASKA:

Section 1. That as a result of Novel Coronavirus (COVID-19) pandemic and with an increased number of confirmed COVID-19 cases within the City limits of the City of Hastings and the closing of numerous city and private facilities, an emergency exists authorizing action by the City of Hastings. This ordinance seeks to impose a non-pharmaceutical intervention to combat the spread of COVID-19 and to halt the progression thereof.

Section 2. That Chapter 2, Article X, to the Hastings City Code is hereby enacted to read as follows:

ARTICLE X. – PREVENTION OF COVID-19

Sec. 2-1001. – Legislative Findings and Intent.

- (1) The City Council hereby finds and declares, based upon the scientific and medical evidence before it, that:
 - a) the Novel Coronavirus (COVID-19) has impacted and continues to dramatically impact the citizens of the City of Hastings, Nebraska; and
 - b) and exposure to COVID-19 presents a risk of death or serious long-term disability; the exposure is widespread and poses significant risk of harm, including death, to people in the general population of the City of Hastings; there is a particular subset of the population that is more vulnerable to the threat and thus at an increased risk; and the threat is from a novel infectious disease; and

- c) information from the World Health Organization, the CDC, Nebraska Department of Health and Human Services, the South Heartland District Health Department, local public health departments throughout Nebraska, and members of the City of Hastings and Adams County medical community indicates that citizens of the City of Hastings have been and will continue to be exposed due to community transmissions of COVID-19; and
- d) the manner in which the spread of COVID-19 cases in the City of Hastings has occurred creates an unacceptable risk to the health, safety, and welfare of the citizens of the City of Hastings; and
- e) the number of COVID-19 infections within the City of Hastings continues to increase; and
- f) COVID-19 constitutes a public nuisance and a threat to the health, safety, and welfare of the City of Hastings; and
- g) The Director of the United States Centers for Disease Control and Prevention (CDC), the City Physician for the City of Hastings, doctors and infectious disease experts from the University of Nebraska Medical Center and Nebraska Medicine, have concluded that the wearing of face coverings by every individual while in public is one of the best methods to slow and stop the spread of COVID-19; and
- h) the wearing of face coverings by every individual while indoors in public places in the City of Hastings will reduce community transmissions of COVID-19, resulting in fewer deaths, serious health complications, and will ease the strain on hospitals and other medical offices and facilities; and
- i) the wearing of face coverings by every individual while indoors in public places in the City of Hastings will help keep businesses open and operating, encouraging economic growth, and preventing prolonged economic harm;
- j) it is just and proper for the City Council to exercise the authority granted to it by Nebraska statutes in furtherance of protecting the public health, safety, and welfare; and
- k) this ordinance is hereby designated as an urgent measure necessary to the preservation of public health.

Sec. 2-1002 – Definitions.

For purposes of this Article, the following terms are defined as follows:

- (1) Face Covering. – A face covering is defined as a covering which, when worn properly, must cover the nose and mouth completely and can include a paper or disposable face mask, a cloth face mask, a scarf, a bandanna, a neck gaiter, or a religious face covering. Medical-grade masks and respirators are sufficient face coverings, but to preserve adequate supplies, their purchase and use is discouraged

for those who do not work in a health care setting or in other occupations that require medical-grade personal protective equipment. Masks that incorporate a valve designed to facilitate easy exhaling, mesh masks, or masks with openings, holes, visible gaps in the design or material, or vents are not sufficient face coverings because they allow exhaled droplets to be released into the air.

- (2) Premises That Are Open to the General Public. – Premises that are open to the general public are broadly defined to include entities that employ or engage workers, including private-sector entities, public-sector entities, non-profit entities, regular commercial or business establishments private clubs religious centers or buildings public transportation (including buses, taxis, ride-sharing vehicles, or vehicles used for business purposes), and any place which is generally open to the public, including educational institutions and daycare facilities.
